

TESTING FACILITY SETTLEMENT AGREEMENT

This Settlement Agreement (Agreement) is hereby made and entered into by and between Green Precision Analytics, Inc. (Green) and The Missouri Department of Health and Senior Services (Department), and is effective on the date the last party signs below.

WHEREAS Green applied for a license to operate a medical marijuana testing facility within the State of Missouri (State) and although Green was the fifth (5th) highest scoring applicant, its application was denied; and

WHEREAS Green filed its Complaint with the Administrative Hearing Commission (AHC) on December 27, 2019 in case no. 19-1963 appealing the denial of its application for a State license; and

WHEREAS The Department filed its Answer on January 29, 2020 and its Amended Answer on February 14, 2020 denying all of the allegations in the Complaint; and

WHEREAS 19 CSR 30-95.025(6)(C)(2) provides the parties with the authority to settle this matter insofar as such settlement best serves the implementation of Article 14 Section 1 of the Missouri Constitution; and

WHEREAS Both parties are desirous of settling this matter;

NOW THEREFORE the parties do hereby agree as follows:

1. **LICENSE.** Pursuant to 19 CSR 30-95.025(6)(C)(2), the Department will issue to Green a license to operate a medical marijuana testing facility subject to all State and local requirements including all applicable regulations and emergency regulations, and the Missouri Constitution.
2. **DISMISSAL.** On issuance of the license referenced above, Green will immediately move the AHC to dismiss its Complaint and appeal with prejudice.
3. **CLAIMS.** Green hereby waives any and all claims against the Department including any claims for monetary relief or attorneys' fees.
