Sincerely,

State Representative Keri Ingle, LMSW

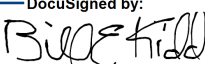

We the members of the Missouri General Assembly take any allegation of child abuse very seriously. Abuse of any kind is never acceptable and will be met by a zero-tolerance policy by the Legislature.

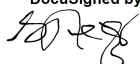

We believe in forgiveness and the ability of individuals to change, but the honor of serving in the People's House is a privilege that certain acts preclude.

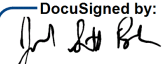

In light of serious allegations we call on Rick Roeber to withdraw his candidacy of State Representative of House District 34.
